# Our Friend Pete...

... was a man who lived by the philosophy, "Do a little more today than you did yesterday." And he practiced what he preached. Pete reveled in his career as transportation manager for SEPTA, and his hobbies were many. He was an officer in the Ancient Order of Hibernians Division 87; an avid distance runner; a former football player and an active alumnus for both Northeast Catholic High School and Lock Haven University; as well as a lector and member of the Parish Council at his church, St. George in Port Richmond.

Pete's gift to us all was in knowing him and allowing us to share his love of life, family, friends, faith, and community. Unfortunately, on Monday, June 18<sup>th</sup>, 2007 Pete aged 48 and in perfect health, died suddenly at home while watching a Phillies game. His death has left an unfillable void in the lives of his family and friends.

The Jingle Bell Walk/Run is being organized by AOH/LAOH Division 87 Port Richmond and PROPAC to honor the memory of a loving father, faithful son, and trusted friend during the Christmas season, a time of year that Pete enjoyed making special for all. The 2 mile walk / 5K run starts and finishes at Saint George Church. The route will take you through Pete's neighborhood in Port Richmond.
